TECHNICAL SKILLS

- Intrusion detection and prevention
- Incident response and remediation
- Security policy development and implementation
- Security information and event management (SIEM)
- Information Security | Database Management
- Security, vulnerability and auditing assessments
- Programming and Scripting | Asset Management
- Passive and Active Reconnaissance
- Security Hardening | Operating Systems | Cryptography
- Penetration Testing | Ethical Hacking

CYBERSECURITY TOOLS AND FRAMEWORKS

- C++ | Java | Python | Kotlin | Bash Script | MySQL | Linux
- Open Source Intelligence | Spiderfoot
- Nmap | Recon-ng | Dnsmap | Gobuster | Wfuzz | Burpsuite
- Wapiti | Wpscan | Nmap | Netcat
- Metasploit Framework | MSFVenom | SQLmap
- John | Hashcat | Aircrack-ng | Hydra
- Wireshark | TCPdump
- NIST Cybersecurity Framework (CSF)
- Splunk

PROFILE SUMMARY

BS Computer Science graduate with over 7 years of experience in both academic and non-academic administration, serving as a Faculty Member and Program Head for the Bachelor of Science in Computer Science department. Highly experienced in managing a broad range of administrative responsibilities while delivering high-quality teaching and mentoring.

Currently transitioning into the cybersecurity field, with a strong focus on building expertise as a Security Analyst. Completed multiple cybersecurity courses, earning course completion certificates across various domains, continuously enhancing technical skills through independent study and active participation in cybersecurity communities to remain current with evolving threats, tools, and best practices.

EDUCATION

PHINMA University of Pangasinan College of Urdaneta (2016 -2022)

- Bachelor of Science in Computer Science
- K-12 Graduate (Science Technology Engineering and Mathematics)
- Consistent Dean's Lister and Student Assistant
- CHED Tulong Dunong Program scholar (TDP) and Handog Kaibigan scholar (HK)

WORK EXPERIENCE

Faculty and Department Head – BS Computer Science Department

PHINMA University of Pangasinan | 2022 – Present

- Led department management, faculty development, and strategic academic planning to align with industry standards and university policies.
- Oversaw student enrollment, evaluation, and academic advising, supporting smooth transitions and student success.
- Organized departmental events, workshops, and seminars to enhance learning and professional growth.
- Ensured compliance with accreditation standards and university policies to maintain academic quality.
- Taught Professional Education and General Education courses across various college departments and levels.
- Provided administrative and strategic support equivalent to a dean's role, contributing to high-level decision-making and policy development.

Scrum Master – Intern

Integrated Tech Department of S.P. MADRID & ASSOCIATES LAW FIRM

San Carlos City | Jan. 27 – March 31, 2022

- Worked Remotely as a Scrum Master for the Data Science department.
- Remodified the company's security policies together with my team and created an Infographics for the employees.
- Served as a technical writer for every company meeting.

Asst. Technician – Immersion

Lucky Survivor Computer and Repair Services

Urdaneta City | Mar 1 – Apr 1, 2017

- Conducted home service computer repairs, including software and hardware troubleshooting for computer shop clients.
- Repaired and troubleshooted computing peripherals.
- Assisted the lead technician in installing CCTV systems for clients.
